CALL ON THESE LANDSCAPERS TO IMPROVE THE AESTHETIC OF ANY EAST END ESTATE.

BY ALEXIS BENDJOUIA

## Broadview Gardens

This high-end landscape and garden design company has been catering to the East End since 2002. With a classical-meets-contemporary style, the landscapers individually tailor each project to the client's needs. The company's greenhouse in Wainscott also includes an array of unique services such as holiday decorating, potted plant rentals, and rare foliage.

## LaGuardia Design

The distinguished landscape company headed by founder Christopher LaGuardia focuses on enhancing the native topography. The company has been generating buzz for its modern and environmentally apt landscapes since 1992.

## Landscape Details

With a philosophy dedicated to "elegance, simplicity, and beauty," founder Michael Derrig's

company promises to ensure long-term plant health, an artistic vision, and unparalleled expertise. As for perfecting the final touch? "There are no final touches because a landscape is a living thing," says Derrig. "A garden is always growing."

Unlimited Earth Care's founder, Frederico Azevedo, has built his reputation on simplicity in design and sustainable structure.

## GROWTH PATTERNS

**Unlimited Earth Care** celebrates 20 years of beautifying Hamptons gardens.

Unlimited Earth Care founder Frederico Azevedo celebrates his 20th year in business this season. The simplicity of his designs is all about sustainability. "Don't plant anything not adapted to the region," advises Azevedo, "and don't insist on something not environmentally appropriate." The acclaimed landscaper built his reputation on using elements that complement one another. "People's visions may change depending on time and trend," he says, "but the structure always remains."
