A picturesque East Hampton yard designed by Gunn Landscape Architecture.

Lawn Party

LANDSCAPE DESIGNERS CAN HELP TRANSFORM YOUR BACKYARD INTO A LUXURIOUS ENTERTAINING SPACE. BY ERIN RILEY

Gunn Landscape Architecture

This local landscaper creates otherworldly designs that combine modern elements with backyard comfort. For one Water Mill client, Alec Gunn crafted a wooden deck that spills out into the foliage before leading toward a walkway to the beach, whereas in Bridgehampton, he fashioned an outdoor lounge inside a tent of foliage.
